7. If the Application Form (Student) is acceptable to the School, arrangements are made for your child to be at Sholai for a TRIAL PERIOD of one month.
8. Please note Sholai School is not a "Special School". We are ready to take a few children having behavioural or learning difficulties as long as we discern that they will be able to surmount those difficulties within a reasonable time. Parents must be frank about any issues in this regard. Sholai School is inspired by the Teachings of J. Krishnamurti (JK). Parents are advised to read one or more books authored by JK. Children require a certain level of intelligence to comprehend his philosophy.
9. We do not inflict corporal punishment on children. Children who have received corporal punishment at the hands of their parents or teachers in their previous schools, will be emotionally disturbed and may not be able to adjust to our ethos. If your child has received corporal punishment, do inform us about it.
